PART I.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

DECEMBER 1893.

Petition No. 2769 of 1892-93.

Appellant .. Lakkegauda of Nirlahalli, Arkalgud Taluk, Hassan District.

Decision.—Petitioner's lands, No. 57 of Nirlahalli, No. 102 of Vaddarhalli, were sold for arrears of Revenue on the following dates:—

57 of Nirlahalli on 23rd December 1886.
102 of Vaddarhalli on 21st December 1886.

The sale of No. 57 was confirmed on 4th March 1887. The sale of No. 102 was not confirmed. Petitioner appealed on 31st August 1888 against the sale of both the lands, and the Government cancelled the sale of No. 102 as its sale had not been confirmed, but took no notice of No. 57. Petitioner now requests that the sale of No. 57 also may be cancelled as the grounds of cancellation are the same for both the numbers.

2. Petitioner will be informed that the sale of No. 57 having been confirmed so long ago as March 1887, and the Petitioner having failed to pay even the sum properly due by him, which led to the sale of the land, it cannot be now cancelled. The appeal is dismissed.

No. 8884—P. F. 63-93, DATED, 2ND DECEMBER 1893.

Communicated to the Deputy Commissioner, Hassan District, with proceedings.

Appeal No. 168 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Nirvanegauda of Nallur, Chikmagalur Taluk, Kadur District.		Kallegauda.

Decision.—Appellant's father and Respondent were joint Patels of Nallur and 3 Dakhala villages. In 1874, the then Deputy Commissioner divided the charge and appointed Appellant's father Siddegauda as the Patel of Nallur, and Respondent as Patel of the Dakhala villages. The Respondent often tried to collect revenue from the raiyats of Nallur, but he was as often reprimanded, and even fined for his interference. But in February 1893, the Deputy Commissioner decided that as the Respondent has shown by *Vasulpatti* for 1879 that he did collect the revenue from some raiyats of Nallur, it may be presumed that it was "*Mamul*" for him to do so, and that therefore he might continue to collect the revenue. The appeal is against this order.

2. At the hearing, the Respondent has explained that the right he claims is only to collect the revenue from the raiyats who cultivate lands in his Dakhala villages, wherever they may reside, whether at Nallur, or in the Dakhala villages,

and not to collect revenue from raiyats who cultivate lands at Nallur. This request is reasonable, and not at all inconsistent with the orders issued by the Deputy Commissioners from 1874. The Appellant has no right whatever to collect revenue on lands held in Dakhala villages. His appeal is therefore dismissed. The Deputy Commissioner should issue orders clearly explaining that the right given to the Respondent is only to collect revenue on the lands held in the Dakhala villages, and not on any other lands.

No. 8959—P. F. 64-93, DATED, 3RD DECEMBER 1893.

Communicated to the Deputy Commissioner, Kadur District, with proceedings.

Appeal No. 53 of 1891-92.

Appellant.	*Vs.*	*Respondent.*
Venkatanaranappa of Harohalli, Kankanhalli Taluk, Bangalore District.		Srinivasarangachari.

Decision.—Appellant and Respondent's maternal grand-father Channarayappa who were unconnected with each other were joint Shanbhogs of *4 villages named in the margin. *Each had ½ share.* Channarayappa was doing the duties in village No. 1, and the Respondent in villages Nos. 2 to 4. On the death of Channarayappa and on payment by the father of the Respondent of the sum said to have been embezzled by him, the Deputy Commissioner appointed Respondent in September 1891. The appeal is against this appointment.

*1. Harohalli.
2. Marasandra.
3. Moralagere.
4. Devarkalhalli.

2. Appellant has not a shadow of right to the office. His advocate admits it and says that he should, at least, be appointed a gumasta for Respondent who is a minor, as he is a co-sharer. The appointment of a gumasta is entirely at the discretion of the Deputy Commissioner and Appellant has no right to claim it. The appeal is dismissed.

No. 8885—P. F. 62-93, DATED, 3RD DECEMBER 1893.

Communicated to the Deputy Commissioner, Bangalore District, with proceedings.

Appeal No. 132 of 1892-93.

Appellants.	*Vs.*	*Respondent.*
Kalegauda and others of Ramanahalli, Mysore Taluk, represented by 1st Grade Pleader, Sitaramaiya.		Jogigauda.

Decision.—Respondent obtained, on Darkhast, a piece of land (3 Kolagas, 8½ padis or 2 acres, 12, assessed at Rs. 1—1—4) and has ever since been keeping it waste. In 1892, he cultivated it, on which the Appellants, the villagers, complained about it and stated that the ground was required for communal purposes. The Deputy Commissioner who personally inspected the land, saw no reason to disturb Respondent's possession, and dismissed the complaint, and this appeal is against this order.

2. Appellants have no right whatever to the land under notice, and the Deputy Commissioner being satisfied that its grant to the Respondent can possibly cause no inconvenience to them, the appeal will be dismissed.

No. 9896—P. F. 65-93, DATED, 19TH DECEMBER 1893.

Communicated to the Deputy Commissioner, Mysore District, with proceedings.

Petition No. 178 of 1893-94.

Appellants.	*Vs.*	*Respondent.*
Chaudri Nanja and others of Lakshmidevarahalli, &c., Tiptur Taluk, Tumkur District.		Dasegauda.

Decision.—Certain unoccupied waste lands (acres 23—23, assessed at Rs. 23—8—0) were sold by public auction and Respondent purchased them for Rs. 2—9—0 on 15th February 1891. He subsequently paid Bandh charges amounting to Rs. 32.

2. Appellants complained that due notice was not given of the sale, that they were willing to pay more and that the sale should therefore be cancelled.

3. The Deputy Commissioner recommended the cancellation of the sale on the ground :—

(1) that sale Proclamation was published on 7th February 1891, and the sale took place on 15th February, that is within 30 days, contrary to rule 22,

(2) that proper amount was not realized,

and (3) that the sale was not very regularly conducted.

4. The Government however declined to cancel the sale and issued an order on 18th April 1893, that Rs. 50—8—0, being the value of trees on the land, should be collected from the Respondent.

5. The present petition is for a re-consideration of the order issued in April 1893.

6. The value of the trees has not yet been paid by Respondent.

7. Although there was some irregularity in the conduct of sale, Government do not think it proper to cancel the sale at this distance of time. The Petitioners will therefore be informed that the Government decline to re consider their order. Petitioners have no right whatever to the land. The value of the trees should be recovered from Respondent without further delay.

No. 9981—P. F. 276-92, DATED, 19TH DECEMBER 1893.

Appeal No. 149 of 1892-93.

Appellant.	Vs.	*Respondents.*
Channegauda of Soppanahalli, Gubbi Taluk, represented by Mr. L. Narasimhaiengar, Advocate.		Melagirigauda, Giriyanna and others, represented by Mr. K. T. Narasimhaiengar, Advocate.

Decision.—The Patcli huck of the village of Rajanpanché belonged to the family of the Respondents. The village became depopulated in the famine of 1877-78.

In 1880, Appellant, a neighbouring Patel, unconnected with the family of Respondents, brought a few raiyats and settled them in the village and in consideration of this service he was appointed Patel of the village on 5th September 1880. Respondents brought a suit for the office on 30th May 1892, and the Assistant Commissioner who heard the case passed a decree in favor of the Respondents, but allowed the Appellant to remain in office for 3 years longer so that he might have a service of 15 years in all as a reward for his services The Deputy Commissioner on appeal made by the Appellant in this case, confirmed the decision of the lower Court with the modification that Appellant should quit the office at the end of the current year, 1893-94.

2. The appeal is against this order.

3. The Respondents are no doubt the Huckdars of the office, but they neglected their work for a long period, and did not offer their services till 1892. It cannot be said that they were ignorant of the fact of the appointment of the Appellant, because they were living only within one mile of the village, the Patel huck of which is now claimed.

4. Under these circumstances, Government consider that Appellant should not be deprived of the office during his life time and accordingly direct that the decree of the Deputy Commissioner be not carried into effect during the time the Appellant remains in office. On his death or removal, Respondents may have the office.

No. 9982—P. F. 66-93, DATED, 19TH DECEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District.

Petition No. 430 of 1892-93.

Appellant.	Vs.	*Respondent.*
Venkatagiraiya of Huresandra, Anekal Taluk, Bangalore District.		Subbarayappa.

Decision.—The village Anekal has 3 Dakhala villages, each of which has separate Shanbhogs as shown below :—

Anekal	...	...	Respondent.
Bodarhalli	...	...	Descendants of Bhujanga Rao.
Mallappa Vaderhalli		...	M. Krishnappa.
Harisandra	...	...	Appellant.

2. The several Shanbhogs who are unconnected with each other enjoy their mirasi in their villages, but the Respondent was doing duties of all the villages, the lands of which were mixed up. During the Survey, all the villages were treated as one and Respondent was made the Shanbhog. Appellant requests that the villages be separated. The Deputy Commissioner refused to comply with his request, and the appeal is against this order.

3. No Potagi appears to have been yet fixed and each party continues to enjoy his mera.

4. Under the circumstances stated, the Government are unable to comply with the request of the Appellant and the appeal is dismissed.

No. 9983—P. F. 67-93, DATED, 19TH DECEMBER 1893.

Communicated to the Deputy Commissioner, Bangalore District.

Appeal No. 173 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Nanjappa of Mugur, Tirumakudlu-Narsipur Taluk, Mysore District, represented by Mr. Sabhapati Iyer, Barrister-at-Law.		Srikantaiya, represented by Mr. S. Ramaswami Iyer, Advocate.

Decision dated 2nd December 1893.

This is an appeal against the order of the Deputy Commissioner, dated 26th April 1892, directing the Appellant and Respondent to do the duties of Shanbhog alternately every other year.

2. Appellant's contention is that he should have 2 years, while the Respondent should have only one year, because he gets twice the pay the Respondent draws.

3. The Register of 1868 shows that there were 3 Shanbhogs for the village named in the margin * with the salaries mentioned opposite their names and that the *mera* payable by the raiyats to the 1st and 2nd was Rs. 70 each and that the 3rd had no *mera*. The 3rd subsequently abandoned the office and nothing is known of him. Apparently the 3rd was a person appointed out of the share of No. 2 for official convenience. Appellant does not say how he came to get a larger salary than the Respondent, while the *mera* is divided by them equally, but that is not the question which has now to be considered.

	Rs.	A.	P.
*1. Nanjappa, Appellant ...	2	6	0
2. Srikantaiya, Respondent ...	1	3	0
3. Subbaiya ...	1	3	0
Total.....	4	12	0

4. At the hearing, both the Appellant and Respondent's Advocates objected to the performance of duties by turns, and requested that the duties might be divided between them. Government also consider that the order issued by the Deputy Commissioner directing each Shanbhog to do duties by turns is objectionable and ill-calculated to give them a feeling of responsibility, and is, besides, opposed to the existing system in the Province. The Deputy Commissioner will therefore be requested to keep both Shanbhogs in office till the Potagi Settlement is made, when only one Shanbhog will be appointed and to divide the duties between them as well as he can.

5. Another objection taken at the hearing to the Deputy Commissioner's order is that it does not allow the Appellant to do his duties by a Gumasta. Of course the Deputy Commissioner is not bound to accept any man, Appellant names as his Gumasta, if he considers him unqualified for the post, but there should be no objection to a qualified man being appointed, as a Gumasta, the right of doing duties by proxy being everywhere recognized.

No. 9989—P. F. 68-93, dated, 19th December 1893.

Copy forwarded to the Deputy Commissioner, Mysore District.

Appeal No. 30 of 1892-93.

Appellant.	*Vs.*	*Respondents.*
Tammaiya of Naravangala, Tumkur Taluk, represented by Mr. D. Venkatramaiya, Advocate.		1. Lakshminarayanappa. 2. Krishnappa. 3. Narasimhaiya, represented by Mr. K. T. Narasimhaiengar, Advocate.

Decision.—Appellant and Respondents are grandsons of 3 brothers. The Appellant, the grandson of one brother, the 1st Respondent grandson of another and the 2nd and 3rd Respondents grandsons of the 3rd, each entitled to ⅓rd share of

the office of Pateli of Naravangala and Amanikere. The father of the Appellant was the Patel from 1848 to 1864, when he was removed on account of his old age, and the uncle of the 1st Respondent appointed to the post whom 1st Respondent succeeded in 1876-77. In 1885, the Deputy Commissioner appointed Appellant as Patel of Naravangala, leaving 1st Respondent in charge of Amanikere. The parties have also Shanbhogi right in these and another village, and the remuneration enjoyed by each family for both is shown below :—

	Rs	A.	P.
Appellant...	18	8	0
1st Respondent	41	4	0
2nd and 3rd Respondents	87	4	0
	147	0	0

2. Appellant and his brother brought a suit in 1891 for a larger share than they enjoyed, and the Assistant Commissioner who heard the case decided that the office of Amanikere be registered jointly in the names of Appellant and 1st Respondent, and each allowed to do duties by turns, or to share the emoluments. The Deputy Commissioner, on appeal by the 1st Respondent, cancelled that portion of the decree which directed the holding of the office by the turns or the division of the emoluments, but confirmed the Appellant's hak to $\frac{1}{3}$rd share.

3 Both the lower Courts held that the suit was not barred by the Law of Limitation, as the Appellant and his brother were in enjoyment of a portion of the total emoluments, and they have always been claiming more.

4. The appeal is against this decision. The Appellant now claims the office of Amanikere so that he may be compensated for the loss he hitherto suffered by having a village of a smaller remuneration. Government do not think that it would be proper to disturb the possession of the Respondents, but Appellant's request will be considered on the occurrence of a vacancy. The appeal is dismissed.

Appeal No. 107 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Bettappa of Handinkere, Chiknayakanhalli Taluk, Tumkur District.		Rangegauda.

Decision dated 30th November 1893.

Appellant's adoptive father was doing the duties of Patel, but in November 1879, the Amildar appointed Respondent's father—a stranger. One Hutchegauda claimed the office, and the Appellant's brother also claimed it, but the Jamabandi Officer dismissed their claims in January 1887, and this decision was confirmed by the Assistant Commissioner.

2. In July 1891, Appellant brought a regular suit, but the Assistant Commissioner dismissed it and this decision was confirmed by the Deputy Commissioner on the following grounds :—

First. There is nothing to show that Appellant's father was the **hakdar**, as the column of "Hakdar" in the Registers of 1847 and 1864 was left blank. Appellant's father or uncle being only shown in the column of "persons actually doing duty."

Secondly. The appointment of the Respondent is in consonance with the order of Government No. 5 of 1872-73, which says that the ap-

pointment of Brahmins to the office of Patel is objectionable and that when the family of the hakdar becomes extinct, and it becomes necessary to nominate a new Mirasidar, it will be proper to select a man of another caste.

3. The appeal is against this decision.

4. The Register of 1876 shows that, on the ground that Appellant's father was also the Shanbhog of the village, his son-in-law Venkataramaiya was appointed as Patel He died in 1879, and on his death one Gangadharaiya did duties for a few months, after which Respondent was appointed.

5. There is nothing to show that Appellant has hereditary right to the office, but as between him and the Respondent, there is no doubt but that Appellant is better entitled, as his family held the office for a long time. The only point which requires consideration is whether the suit is not barred by the Law of Limitation, since Appellant's father lost possession of the office so long back as 1876, when his son-in-law was appointed, but the possession of the son-in-law may be regarded as that of the Appellant's father himself. Moreover Exhibits Y. to Z. and A., A. to M. M. show that though the son-in-law of Appellant's father was nominally entered as the Patel, in Register, still, Appellant's father was actually performing the duties and recognized as the Patel up to 1879. Government therefore resolve to direct that Appellant be restored to office. He should not however be allowed to do the duties of Shanbhog and Patel. He may retain one of the 2 offices he likes and for the other a Gumasta should be appointed by the Deputy Commissioner and be allowed such portion of the Potagi allowance, as the Deputy Commissioner may consider reasonable.

PART I

MUZARAYI.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 14th December 1893.

No. 626-7—Muz. F. 51-93, dated, Bangalore, 14th December 1893.

Order.—The Government are pleased to sanction the following rules for the management of His Highness the Maharaja's Chattram and "Kangalarakki" at Mysore. These rules should be strictly adhered to.

Kangalarakki or distribution of uncooked rice or other grain to the poorer classes of the Community at Mysore.

This charity is intended for the relief of deserving poor of all classes.

Objects of charity.

2. Old and infirm people of either sex, lame and blind persons and such others as may be disabled by accident, natural deformity, or incurable disease, and helpless orphans.

Condition.

3. They should be in a state of destitution. The charity may be extended to Gosha women and also such helpless widows as have *bonâ fide* caste objections for out-door work, who being absolutely destitute and unable to earn their living, have also no relations upon whom they could depend for maintenance.

4. The distribution of grain should be made monthly in the presence of a responsible officer, in accordance with a Register to be carefully maintained.

5. The Register should contain, among other particulars, full information on the following points:—

(1). Nature of the physical disability of the recipient.

(2). Poverty.

(3). Absence of persons from whom support could be expected, &c., and should be certified under the signatures of the Palace Controller and of at least two Dharmadarsis.

6. A list of existing recipients should be prepared in the same form dividing it into two parts —No. 1 containing the names of those that are deserving objects under the foregoing rules; and No. 2, of those that are not. On submission to Government of the list of persons falling under the latter class, orders will be passed for their immediate or future elimination from the Register.

7. No new name should be admitted on the Register, without a strict investigation of the circumstances of the applicants for relief by the Palace Controller, assisted by the Dharmadarsis.

8. Monthly list of new admissions should be submitted to the Muzarayi Branch of the Dewan's Office, for record.

9. The allowance granted will be personal, and will invariably cease on the death of the recipients, or when they become able to earn a livelihood for themselves by work or in any other way.

10. At the desire of the recipients, the rice allowance may be commuted into money payment calculating the price of rice at Rs. 8 per Palla.

Chattram.

11. This Chattram is intended for travellers. As a rule no traveller should be fed for more than 3 consecutive days, except upon special grounds of helpless-

ness and inability to travel. Infirm Brahmins who would be fit persons to be recipients of charity in Kangalarakki may, if they prefer it, be fed in the Chattram.

12. Sadavarth to Bhyragi travellers at an estimated cost of Rs. 50 per mensem should be met from the grant for the Chattram sanctioned in the Government Proceedings No. 48—50, dated 31st October 1892.

13. No traveller should be refused food on the ground of want of funds. If the grant allotted for the Chattram be found inadequate owing to any exceptional and unexpected rise in the number of persons fed, the Palace Controller should obtain sanction of Government in the Muzarayi Department, for additional expenditure under this head, on submission of a Supplemental Estimate.

14. The supply of Rice and Ragi for "Kangalarakki" and of all articles required for the Chattram should be obtained, under an annual contract, through a contractor, upon rates agreed to by him upon a public competition by means of tenders or otherwise, at the most favorable time of the year.

15. The Contractor is expected to buy and store the grain, &c., required and cannot therefore have any just claim for increased rates owing to any subsequent rise in the prices.
